COMMENTS FROM THE TOWN MANAGER'S OFFICE

At the special town meeting held on Monday evening all articles in the warrant were approved by a small attendance of voters.

The construction of the water system will commence as soon as financing can be arranged and materials purchased. It is planned to use the Highway Department crew as much as possible and hire other equipment and labor as needed. During the time between ordering and delivery of the materials for the water system the town crew will put up the winter sand and erect the snow fence, so that as soon as that work is completed full time may be devoted to installation of the system. Negotiations are being made with three different lending agencies in order to obtain the money at a low rate as possible.

It is generally understood that if a new home is constructed or existing property is altered, rebuilt, or extended, that a building permit is required. It is observed that a few have failed to apply for the required permit before starting construction or alterations. A trip to the Town Office is all that is required and there is no fee charged for issuing the permit.

Violators can be notified in writing and if he then fails to request the necessary permit a fine of five dollars for each day's neglect may be recovered before any court.

Sincerely,
Harold L. Bean

150 Fete Von Zintls on 25th Anniversary

On Monday evening, Oct. 19, the Top Hat Pavilion, appropriately decorated with evergreen, white mums, silver streamers, wedding bells and balloons, was the scene of a most enjoyable anniversary party in honor of Martha and Bill Von Zintl.

To begin the activities a mock wedding was staged with David Thompson, at his hilarious best, as bridegroom, Louise Annis as bride, Barbara Gallant as maid of honor, Stanley Gallant as best man, Janet and Gary Locke as flower girl and ring bearer, Roland Glines as minister, and Earl Williamson as father of the bride. Sylvia Sloan sang "Always."

Martha and Bill led the Grand March after which a circle waltz started off a pleasant evening of dancing to the excellent music of an especially selected orchestra including Clayton Bane. There were two "spot" dances with silver dollars as prizes.

Roland Glines read an original poem written by Edith K. Robertson especially for the occasion. (See page four.)

The refreshment stand featured a tasty variety of sandwiches, cakes and fruit punch. One highlight of the evening was when Martha and Bill cut a huge five-tiered wedding cake which everyone enjoyed with the hot coffee served by Celia Gorman.

The gift table in charge of Barbara Bryant and Dorothy York featured some elegant gifts of sterling silver as well as a basket of silver dollars and beautiful bouquets of flowers, sent by many friends of the honored couple.

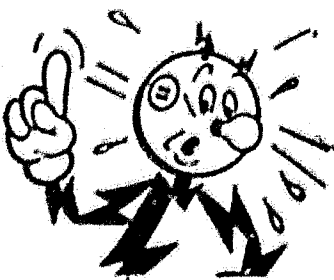

Martha and Bill expressed their gratitude to their many friends who arrived from near and far to attend their party, and to their employees for their part in making this special day a happy and enjoyable one for them. There were 150 guests present, some of whom drove from Portland, Lewiston, Norway, Rumford and Dixfield.

RAILROAD FEATHERBEDDING:

\$500,000,000 LOSS

TO THE NATION—INCLUDING YOU—EVERY YEAR

Featherbedding on the railroads — pay for work not done or not needed — is costing the American people the shocking total of more than \$500,000,000 a year.

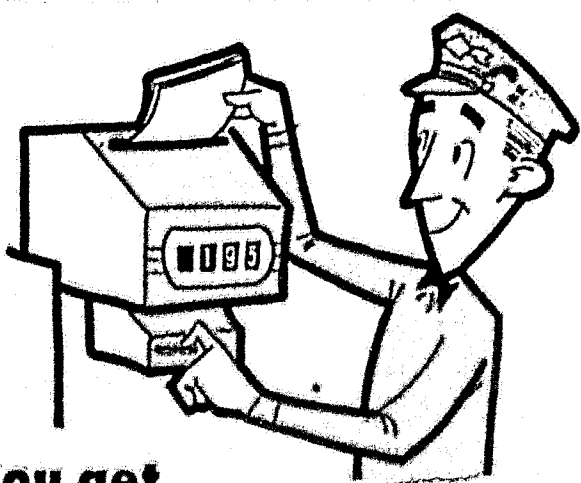

You pay for it every time you shop, because featherbedding costs are hidden in the price of everything you buy.

Obsolete union work rules, involving the railroad operating employees, are responsible for this gigantic burden. Right now, for instance, these rules require every diesel locomotive to carry a fireman—even though diesels have no fires to stoke, no boilers to tend.

The forthcoming negotiations between the railroads and the unions are urgently important to the whole nation.

In asking the unions to drop these featherbedding rules, all the railroads ask for is a fair day's work for a fair day's pay.

GOULD ACADEMY

Gould Entertains Phillips
Friday in Cross Country

Two of the stronger cross country teams of Oxford and Franklin Counties will meet at Gould Friday at 3:30. The Huskies have lost only to the strong Portland High team which has won 24 straight meets. Phillips has won easily over its Franklin County rivals and the meet this Friday promises to be well contested.

Norway at Gould
Saturday, Oct. 24

Saturday will be the last home game for Gould as they meet another tough competitor in Norway High School. The Huskies showed considerable improvement in their line play as they defeated Livermore last Saturday, and hope to be at their best when they encounter the Norway team in this final conference game. With South Paris undefeated in league play, this game looks as a big one for the visitors, and they must win it to stay in contention. Norway won last year, but this could be a close one.

Gould Academy Debating Club
Gould's debating club elected the following as officers for the year 1959-60:

President, Claire Berry, Junior Bethel.

Secretary, Nikki McMillin, Junior, Bethel.

Treasurer, Stanley Clark, Senior, Union.

Gould Defeated by Strong
Portland Club

Portland High's cross country team won its 24th straight duel last week by defeating Gould 20-35. The Huskies, though defeated, performed well against the winners by placing six men in the first eleven finishers. Portland has four seniors, who will be graduating this spring, who have helped to set up, during their four years, perhaps one of the best records in the state.

J. Cromett of Portland finished first in 13 min. 10 sec. Gould's leading runner was Don Angevine who finished second in 13 min. 48 sec. Other finishers for Gould were Ed Bernier, sixth, Fred Lincoln, eighth, Paul Calef, ninth, Bob Allen, tenth, and Fred Judkins, eleventh.

Gould Victor 20-14

A "fired-up," determined Gould Academy eleven defeated favored Livermore Falls at Gould Academy last Saturday by a 20-14 score. It was decidedly a team effort with Steve Watson, Steve Karpovich, John Todd, and Mike Hathaway showing their best defensive efforts of the season. Guy Burnham was the leading return punter but the entire backfield contributed fine gains and played well.

The visitors scored early in the first period after a 59 yard drive which included four first downs with Denny Albertson scoring from the 2 yard line. Steve Hamblin rushed the extra point.

Gould came back strong with a 65 yard march of their own. Three passes good for 17, 9, and 10 yards coupled with a 25 yard run by Burnham and a 13 yard drive by Smith set up the TD which was a two foot line plunge by Pete Swallow.

The place kick for the extra point failed, and Gould trailed 6-7 at the first period ended.

Early in the second period Livermore was forced to punt and Doug Rice took the ball on his own forty yard line and carried to the 1:49. After a five yard penalty on Gould Swallow carried for 10 yards, and on the next play, Rice passed to Burnham for a beautiful 43 yard TD to place the team ahead 13-7.

Swallow carried only about 10 yards with Harbach sprinting the rest of the way behind some fine downfield blocking. Smith drove through center for the extra point.

Gould recovered a L. P. fumble on the first play after the kick off on their 49 yard line. A 23 yard run by Burnham and a twelve yard rush by Smith set up the TD. Smith scored from the two yard line, and Burnham went off right tackle for the extra point. Gould led 20-7 at the half ended.

In the third period neither team threatened as both clubs battled near midfield.

In the final quarter, with only 14 seconds to go, Albertson passed to Lancaster for a 43 yard touchdown. Hamblin rushed the extra point and the

score was Gould 20, Livermore Falls 14. Three plays later the game was over and the Huskies came through with a well deserved victory, their third in four starts.

Gould gained nine first downs to 12 for Livermore. The visitors converted on 4 passes out of 10 for a total of 51 yards, while the visitors gained 149 yards by completing 7 out of 13. They, however, had two intercepted passes of their points.

TO MARTHA AND BILL

Twenty-five years—looking back
Can seem like one or two
When they've been busy happy ones
And brought success to you—

As side by side you've labored
To earn your present fame
You planned and built together
And you've made yourselves a name.

The success that crowns your efforts
Has come to very few
You've gained so many friendships
That keep brightening life anew.

CHANTICLEERS SUCCESS
IN RUMFORD CONCERT

A capacity audience enthus-
iastically received The Chan-
ticleers who opened the current
series of the Rumford Commu-
nity Concert Association at Ste-
phens High School last week.
This male quartet eagerly an-
ticipated since its selection last
April as a membership cam-
paign aid was all that was hop-
ed for: its varied program, sup-
erb voices, top-flight musician-
ship, and special staging and
arrangements.

Troubadors in the ancient
tradition singing for their own
love of song and entertainment
of the audience effected a mar-
vel of variety, performing at
times as a quartet and chorus
and at other times as individual
soloists. The concert was
therefore a personal as well as
a group triumph for The Chan-
ticleers. From the stately Bach
opening to Schubert's "The Al-
mighty" this first group set the
pattern for the entire evening
of song with every possible var-
iation of mood, pace, type, and
arrangement. The effect cumu-
latingly devised to capture re-
ceptive listening was happily
achieved if a silent house of
nearly 700 people breaking in-
to prolonged and staccato ap-
plause is any criterion.

Each member of the quartet
gave convincing proof of his
ability to please. William
Diard's solo, "Mattinata" by
Leoncavallo, a must in every
tenor's repertoire, familiar in
tune if not in title, offers a
spectacular show for range and
power and Mr. Diard was equal
to it. Featured in numerous oth-
er solo parts he has the mellow
tenor one could listen to all
night. Richard Wright provid-
ed the tenor balance the quartet
required with his clear ton-
notes, a singer of versatility
and personality. He was espe-
cially playful in Gilbert and Sul-
livan and "The Johnson Boys."
Baritone Keast and Basso Mar-
tindale offered the opera bal-
ance and both from Verdi, Mr.
Keast competently sang an aria
from "The Masked Ball" and Mr.
Martindale in the logical encore
for his impressively deep bass
"Blow Ye Winds" descended to
Davy Jones yet remained musi-
cal.

The Chanticleers are to be
congratulated on their avoid-
ance of the overly popularized
show tunes and presenting in
their stead some rarely heard
Broadway songs. Their selec-
tions therefore were of a first-
night freshness yet satisfying
to the popular song taste for
their contemporary styling.

Undoubtedly the hit of the
evening was the quasi-dramatic
fantasy from HMS Pinafore.
Each of the quartet assumed a
character suitable to his voice
soloing with acting or support-
ing chorus with pantomime. It
was pure fun.

In the last encore the unob-
trusive but reliable accompan-
ist surprisingly supplied his
own vocal phrase of "Mary Had
a Little Lamb" during a studied
pause in the quartet's Good
Night Ladies, thus ending a
most enjoyable evening on a
final gay note.
